

## my fantasy garden

Finished size: 117cm x 137cm (46in x 54in)

This fantasy garden, complete with weeds, was designed and made by Caroline Price of Pyramul, NSW from the wonderful fabric range Mambo by Rosemarie Lavin. The fabrics are just as colourful as the dance for which the range is named and they are perfect for the wild and colourful plants in Caroline's garden. The Mambo range is distributed in Australia by J Leutenegger. Style numbers for the fabrics are listed beside the requirements.
